1000 Mississippi Street
Monongalia County Technical Education Center
Morgantown, WV 26501
(304) 291-9246

APPLICATION DEADLINE:

PN Program – May 1st
All other Health Occupations programs - May 1st

Monongalia County Schools operates as an equal opportunity institution and will not discriminate on the basis of race, national origin, religion, gender, marital or family status, age, or disabling condition in its activities, programs, or employment practices as required in Title IX of the Educational Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act (ADA) of 1990.

For information about your rights or grievance procedures, contact the Monongalia County Schools Superintendent's Office, 12 S. High Street, Morgantown, WV 26501, (304) 291-9210. Grievances may also be directed to the Council on Occupational Education at 7840 Roswell Road, Building 300, Suite 325, Atlanta, GA 30350, 1-800-917-2081; 1-770-396-3898; Council.org

Monongalia County Adult Education
Michael L. Johnston, Coordinator
1000 Mississippi Street
Morgantown, West Virginia 26501
304-291-9243
mjohnsto@k12.wv.us

As the Coordinator of Adult Education for Monongalia County Schools, I would like to take this opportunity to thank you for your interest in our Health Occupations Programs at MTEC and for taking that important step in continuing your education. I am a firm believer in the aspect of "Life Long Learning" and in today's job market you will find that the Health Occupations field is one of the fastest growing areas of employment in our community and around the country.

To assist you in your educational journey we offer evening classes in Medical Terminology, Health Occupations Math and CPR/BLS Health Care Provider.

Taking evening classes before you are accepted into a Health Occupations Program will assist you in preparing yourself ahead of time for your entrance exam as well as meeting pre-requisites for some health care programs.

We will offer classes starting in June in the following:

Medical Terminology – Medical Terminology is required for the LPN program and the Surgical Technology and can be taken as independent study or as an evening class. This 45 hour class meets one night a week in the fall and spring but two nights a week in the summer* with a registration fee of \$150.00. The name and ISBN number of the textbook used, will be given at the time of registration.**

Medical Math – This class is required for the LPN program and can be taken as independent study or as an evening class. Classes meet once a week in the fall and spring but two nights a week in the summer* for a total of 45 hours. Registration fee is \$150.00. The name and ISBN number of the textbook used, will be given at the time of registration.**

CPR/BLS Health Care Provider - This four hour class is required for all Health Occupations Programs before students can participate in the clinical portion of your selected program. Classes usually meet on Monday beginning at 6:00 pm. Class fee is \$65.00.

Our spring registration will begin December 2, 2019. Spring classes will begin the third week in January. We will begin our summer 2020 registration on April 20, 2020. Summer classes will begin the fourth or last week in May. You can call our office at 304-291-9243 for a list of classes.

*Class meets in the summer semester beginning in May, two nights per week.

** Students must make a grade of "A or B" to transfer a class to the Health Occupations Program.

If I can be of assistance to you in any way, please contact my office after 1:00 pm.

Respectfully,

Michael Johnston

Michael Johnston, Coordinator of Adult Education

WELCOME to MTEC Financial Aid
the school that does not offer debt as we do not process loans

In order to be eligible for financial aid at MTEC, please do the following:

- **please adhere to the MTEC May 15 FAFSA application deadline**
- prior to completing the FAFSA, student (and parent, if applicable) apply for FSA ID @ <https://fsaid.ed.gov/npas/index.htm>; this is your electronic signature
- complete FAFSA (FREE Application for Federal Student Aid @ www.fafsa.gov **by May 15** (NOT www.fafsa.com--this website will charge a fee upon completion)
- dependency Status is explained @ <https://studentaid.ed.gov/sa/fafsa/filling-out/dependency>
- the Federal Student Aid code for MTEC is **012904**
- respond “Certificate or Diploma of Less than 2 Years” (not Associate Degree)
- please attempt to transfer **2017 taxes** using the **IRS data retrieval tool** for yourself and parents (if applicable)
- questions regarding the FAFSA, call 1-800-4-FED-AID (1-800-433-3243)

(The IRS data retrieval tool enables the student and parent to transfer accurate information from the IRS. It's quick and easy in most cases.) FAFSAs are randomly selected for verification by Federal Student Aid--please utilize the IRS data retrieval tool to transfer taxes to the FAFSA. If unable to do so, and selected for verification, request a tax return transcript as required @ www.irs.gov.

Upon submission of the FAFSA, the applicant will receive a submission confirmation and an email to confirm processing. The email should indicate whether the student is eligible for a Pell Grant; **if loan information is given, please disregard as loans are not disbursed by MTEC.** Please read this email carefully as more information may be required of you to determine eligibility.

If no aid amounts are provided, you may not be eligible for the Pell Grant or the application may be incomplete (possibly no signatures provided through FSA ID). **Students who have earned a Bachelor Degree OR are in DEFAULT on Title IV loans are not eligible for Pell Grants.**

Practical Nurse applicants are processed first, with Surg Tech, Pre-LPN/Medical Assistant, Dental Assistant, Pharmacy Tech and HVAC to follow.

Only students who have (1) been accepted in a health occupations program, (2) completed the FAFSA, (3) deemed eligible for a Pell Grant and (4) paid the \$100.00 seat fee will be contacted to finalize financial aid documents.

Only tuition is deducted from the Pell Grant. The remaining funds are disbursed to the student in December and May. Students are responsible for fees, textbooks, uniforms, etc.

The Financial Aid Advisor will contact you to finalize documents. Confirm that an accurate email address is on the FAFSA for Federal Student Aid and/or MTEC to contact you.

*****See reverse side for more important financial aid funding information*****

Financial Aid at MTEC (Continued)

Professional Judgment for Special Circumstances--If FAFSA has determined that you are not eligible for a Pell Grant and your family has experienced significant changes to your financial situation (such as loss of employment) or other unusual circumstances (such as high unreimbursed medical expenses), please consult with the financial aid advisor at MTEC at 304-291-9240, ext. 2723.

Other sources of financial aid:

To be considered for the **Workforce Innovation and Opportunity Act (WIOA)**, contact:

(304) 285-3120 Workforce WV, Morgantown, WV

(304) 363-0654 Workforce WV, Fairmont, WV

(304) 627-2125 Workforce WV, Clarksburg, WV

(724) 229-1350 Southwest Training Services, Washington, PA

WIOA funding is limited and based on eligibility as a “dislocated” employee or “adult funding” for low income (as determined by WIOA). It is highly recommended that students apply for consideration of this funding. WIOA requires that you complete the FAFSA but do not have to be eligible for the Pell Grant to qualify for WIOA. This is a process that may lead to great financial benefits for a student.

These funds typically cover all expenses beyond tuition (if Pell eligible) for health occupations programs at MTEC. This would include the fees that students are responsible for on the first day of each semester, textbooks, physical, immunizations, uniforms, shoes, watch, stethoscope, CPR, criminal background check, NCLEX, State Board exam, AMT certification, NHA testing fee (students receive a budget with acceptance letter). If eligible, these expenses are reimbursed through WIOA funds. In most cases, if a student is not Pell eligible, WIOA funds will cover tuition as well.

*****VERY IMPORTANT*****

Two WIOA referral forms are attached to this application. Please complete the top section and sign as “participant” on both copies and return to MTEC with this application. One copy will be dated for the applicant to take to Workforce WV; the other form will be retained by MTEC to complete the referral process.

Division of Rehabilitation Services (DRS) @ (304) 285-3155

Veterans benefits @ www.gibill.va.gov or 1-888-GIBILL-1 (1-888-442-4551)

HEALTH OCCUPATION PROGRAMS

DENTAL ASSISTANT

Dental Assisting is a 9-month (Aug – May) program consisting of classroom/lab instruction and a clinical internship. Students acquire satisfactory skills and demonstrate competence in a variety of dental office procedures/laboratory techniques, which include: preliminary examinations, assisting chair-side dentistry, charting, appointment scheduling, maintaining patient records, radiation and health safety, and infection control. Upon completion of the program, students will be eligible to take the RDA (Registered Dental Assistant) exam. The Dental Assistant Program is open to adults and high school students.

PHARMACY TECHNICIAN

The Certified Pharmacy Technician Preparation program is a 9-month (August – May) program. Professional curriculum is delivered per classroom instruction, web-based CD modules, WVU School of Pharmacy laboratory, and clinical experience. This course includes certification requirements, pharmacy law, medical/pharmacy terminology, pharmacology, pharmacy math, pharmacy operations, medication distribution and inventory. Graduates will be eligible to sit for the Pharmacy Technician Certification Board (PTCB) national exam. The Pharmacy Technician Program is open to high school students.

MEDICAL ASSISTANT

This 9-month (Aug – May) adult program is designed to train individuals to become multi-skilled allied health professionals. Practitioners work in physician offices or clinics and perform both administrative and clinical duties. Program consists of classroom/lab instruction as well as a clinical internship in a medical office. Upon completion of this program, students will be eligible to sit for the (AMT) American Medical Technologists exam and become Registered Medical Assistants. In addition, students will attain advance standing applied to the PN program. This program is open to high school students and adults.

PRACTICAL NURSING

The West Virginia State Board of Examiners for Licensed Practical Nurses has granted full accreditation for this 12-month (Aug – Aug) adult program. Program provides professional curriculum per classroom and clinical instruction. The Licensed Practical Nurse performs direct nursing care to clients, administers medications and therapeutic treatments under the direct supervision of registered nurses or physicians. Passing the NCLEX national exam is required to work as a licensed practical nurse.

SURGICAL TECHNOLOGY/MATERIALS MANAGEMENT

This 9-month (Aug – May) adult program prepares a beginning technologist in the skills which are necessary to assist medical and nursing personnel in operating rooms, surgery clinics and sterile processing facilities/areas. Upon completion of this program, students are eligible to sit for the National Certification Examination for Surgical Technologists (CST) and the second certification (CRCST) for Registered Central Service Technicians.
